

# DMR(UK) LIMITED GOOD BEER

**DMR (UK) Limited is a market leader in the field of business consultancy and management.**

Our team of professional graphic designers; website designers, analysts and programmers are on board ready to elevate your business profile and make you better than your competitors.

## What We Do

As part of our "Good Beer Guide Promotion" we would like to offer your pub the opportunity to have its own, high-quality website uniquely designed to your specification. We will provide your company with the right products and services that will make you stand out from the crowd. - you're in the book, people are looking for you. Let the world into your fabulous pub!

*“ The Internet is the resource of choice for every customer ”*

## Services

Here are some of our popular services, we will bundle a specific package towards your individual needs or we'll provide any service as a separate component:

- ▶ Website Design
- ▶ Graphic Design
- ▶ Domain Name Procurement
- ▶ Web Hosting
- ▶ Website Management
- ▶ Blogs
- ▶ Email Configuration
- ▶ Customised Logos
- ▶ Security
- ▶ Promotions
- ▶ Consultation
- ▶ Automation
- ▶ Catering/ Drink Menu Design

*“ Simply having a website does NOT do wonders for your business. ”*

## Cost?

We offer exceptional quality at the lowest prices, including a re-launch package with logo and stationary design.

- ▶ Services are both VAT and tax deductible!
- ▶ Real cost? This is an investment opportunity, an investment in yourself!
- ▶ Quality is the best form of advertising.....its a fact!
- ▶ We don't charge monthly fees, there are no hidden extras; we deliver a finished product and it is yours to keep.

## The Process

- 1 We'll work with you to ascertain your exact requirements.
- 2 Whether a complete package or just a new webpage or logo is required, a quotation for services will be issued and we'll start work right away!
- 3 Design samples will be provided whilst the internet mechanics are prepared.
- 4 On agreement of the design we will build your project.
- 5 We can provide assistance with content, aesthetics and all aspects of design.

*“ Only a website that is well-designed with rich and relevant content is going to aid your business towards achieving its full potential. ”*
